

Safe Routes to School Application Workshop

If you are thinking of submitting a SRTS application during the 2017 cycle beginning September 1, 2017, you will need to attend this *mandatory* 3.5 hour workshop explaining the SRTS Program. You will get tips on how to structure your SRTS planning, complete the application and improve the chances of being selected for a portion of the \$7,000,000 in Florida's SRTS funding this cycle. There also will be time to ask specific questions about your projects and applications. **Only attendees will be allowed to submit applications, so it is very important that you attend.** FDOT Central Office staff as well as District staff will be on hand to answer your questions.

Check back often as we continue to schedule more trainings throughout the state.
